GAME OF TWISTS AND TURNS

While United piled on the misery for City in a thrilling Manchester derby, Leganes handed Barcelona a **shock defeat** in La Liga.

With just one win in 10 matches across all competitions, it would be an understatement to say every game is crucial for Manchester City manager Pep Guardiola. And with a Premier League derby against city rival Manchester United, it was the perfect chance for the defending English champion to bounce back and secure a much-needed win for momentum.

With City winning eight of its last 11 Manchester derbies since the start of 2021, the momentum was with Guardiola's men despite the poor run of results. Ruben Amorim, who had beaten Guardiola in his penultimate game as Sporting
