**1** The visiting side clinched a **dominant 176-run win** in the third Test in Jamaica

Australia sealed a 3-0 series sweep over West Indies with a dominant 176-run win in Jamaica, underpinned by a historic bowling display. Mitchell Starc ripped through the

top order to reduce WI to 7/5, becoming the second-fastest to 400 Test wickets by balls bowled. Meanwhile, Scott Boland claimed the first-ever pink-ball Test hat-trick.

The West Indies' top six batters managed just six runs — the lowest in history — before their side was dismissed for the second-lowest total (27) ever in Test cricket.
