

Bumrah on top

13 } The number of occasions Jasprit Bumrah has claimed a five-wicket haul in Tests on foreign soil, which is now a new Indian record. His record-breaking performance came in the first innings of the Lord's Test, where he surpassed Kapil Dev's tally of 12 five-wicket hauls. Before Bumrah, Kapil held the record for over 36 years, thus making Bumrah's achievement a significant chapter in the history of Indian cricket. The second table below lists the Indian bowlers who, over the years, have held the record.

9 } The number of batters to aggregate 3000-plus Test runs against one single opponent in Test cricket history. Joe Root's achievement in the Lord's Test is not just a personal milestone but a significant moment in Test cricket history. Root's feat is the first of its kind, as he is the first batter in Test cricket to go past 3000 runs against India. Australian Ricky Ponting, with 2555 runs, is second in the list. The table below lists the batters who have achieved the distinction of being the first to reach milestones in multiples of 500 runs against India in Test matches.
