

Fourth title for Pogacar

Tadej Pogacar secured his fourth Tour de France title with a commanding performance in the 2025 edition, capping it off by attempting to win the final stage — even though he didn't need to. The 26-year-old Slovenian had previously won the Tour in 2020, 2021, and 2024. Two-time champion Jonas Vingegaard finished second overall, 4 minutes and 24 seconds behind Pogacar, while Florian Lipowitz took third, trailing by 11 minutes.
