

Gill in elite list

5} The number of players to lead India for the first time in Tests before the age of 26 years. Shubman Gill became the latest to join a small group of players during his captaincy debut in the recent Leeds Test. At 25 years, 285 days, he is the fifth youngest Indian and the fifth youngest visiting captain in Tests in England. Gill, however, is the youngest to lead an Indian side in England.

28y-207d	J. Bumrah	Birmingham	1 Jul 2022	Lost

Note: Gill & Bumrah are the only players in the above list to make their captaincy debut in England.

402} The number of international matches (Tests/ODIs/T20Is) Karun Nair missed since March 2017 when he made his international comeback to Team India playing XI in the recent Leeds Test match, which is now the maximum number of matches missed by any player in international cricket. Nair has also missed 77 Test matches since he last played one, which means only three other Indian players have missed more Tests than Nair, as shown in the second table.

Most consecutive matches missed for a team in international cricket
