

A young man, Arjun Bakshi, is the central figure. He is wearing a blue and green roller hockey jersey with 'INDIA' and 'भारत' (Bharat) written on it, white pants, and roller skates. He is smiling and holding a roller hockey stick. In the background, another person in similar gear is visible, and a third person is skating in the lower right. The background is a gradient of blue and purple.

FROM YAMUNANAGAR TO ASIA'S SILVER PODIUM

Arjun Bakshi, 22, made history at the
**20th Asian Roller Skating
Championship** in Jecheon, South Korea,
clinching a silver medal and ending
India's nine-year medal drought at the
continental level.

Raised in Yamunanagar and trained at Swami Vivekanand Public School, Sector 17, Arjun is India's youngest captain in roller hockey history. With six national golds to his name, he is inspiring kids across the country to chase their dreams fearlessly.
