Bayern Munich sports director Max Eberl said that the club has made its final offer to Canada left-back Alphonso Davies to extend his contract amid reported interest from Real Madrid.

Davies' contract with Bayern expires at the end of next season, meaning the Bavarian powerhouse could lose the 23-year-old player in 2025 without receiving a fee if he decides not to extend.

### Baumgartner scores fastest international goal

Austria's Christoph Baumgartner needed just six seconds after kickoff to score in Saturday's 2-0 friendly win over Slovakia, making it the fastest-recorded goal in international football.

The 24-year-old sprinted from the centre circle and skipped past three challenges before firing a low shot from outside the box into the bottom corner.

The goal came earlier than Lukas Podolski's for Germany against Ecuador in 2013 when he scored seven seconds into the match.
