Mumbai City FC gave its fans a night to remember in its last home game of the season, the ISL semifinal second leg, which it won 2-0 (5-2 on aggregate) against FC Goa.

It was a sold-out Mumbai Football Arena, with MCFC fans turning up well ahead of the match to welcome the team bus outside the stadium with blue flares and posters cheering their favourite players.

Minutes before kickoff, there were a considerable number of fans outside the stadium looking to somehow manage a ticket and enter the arena, which is a testament to the club's growing popularity due to its recent success.

The club's fan club, 'West Coast Brigade' even arranged a large tifo in the stands as they cheered and chanted throughout the night.

After the win, the MCFC players went over to the fans to thank them and gave away a few jerseys.
